

CHARLOTTEHOUSE@HOME

We use Class Dojo from Forms I to VI. In Form I & II it is used as the main form of communication with the girls during any period of on-line education. When your daughter joins the school or moves up to Form I you will receive an e-mail inviting you to join Class Dojo. Please note to complete work your daughter must be logged on to her own account and not your parent one. The easiest way to log onto your daughter's account is by using a mobile or an i-pad and scanning her QR code; if you wish to use a device that does not have a camera we can send you a link. In Forms I & II the teachers will set work to your daughter's account. Some tasks will enable your daughter to video herself, send a photo and/or complete the work on-line.

In Forms III -VI Dojo is used more as a social and information tool. If a task is set on Dojo for this age group it would be made clear via Google Classroom.
