I am sure someone has hit fast forward; the weeks are whizzing by now! This one has been full of awe and wonder for me and the girls!

We started for the second week running with exciting news from the poolside! This time we had two relay teams taking part in the ESSA Primary Schools Finals. The girls were amazing and do read the sports report to find out how we did. I was unfortunately unable to attend but was glued to the live video feed and had regular updates from Mrs Muchmore. Thanks once again to Mrs Muchmore and Sarah Leveridge for all the support and encouragement they give our swimmers; the results have been phenomenal!

This was swiftly followed by my heading back to Suffolk, this time with Mrs Wildman and Form V. The girls were fabulous and threw themselves into all the art, history and ecological activities that were on offer and really made the most of this tremendous trip. It is so lovely to spend time with the girls in a different environment and, although a school trip is a tiring thing to undertake, luckily the staff here are always happy to go that extra mile (or forego a normal amount of sleep) to give the girls these amazing experiences.

On Tuesday, our Early Years' girls headed off to Odds Farm. The girls enjoyed seeing all the animals, feeding the kids and pigs and watching a milking demonstration! Their behaviour was impeccable throughout so well-done girls!

On Wednesday, Form II treated the school and their parents to a fabulous assembly about dinosaurs. I am sorry I missed it but am looking forward to watching the recording because I have had rave reviews! Thank you to Mrs Brown for a super assembly and also to Miss Francis who then took the workshop about what the parents can expect when their daughters join the Prep school!

Thursday saw our Pre-prep sports day. The weather was a little touch and go but it was a magnificent event and the girls did brilliantly. A big thank you to Mrs Muchmore and her team of Form VI girls as well as the pre-prep staff for ensuring the afternoon ran without a hitch. I am still not used to seeing all the parents back on site but it is so lovely!

Next week, we have the Form V & VI play to look forward to as well as the Form IV-VI inter-house swimming gala and Form IV's campout in the school garden! Hopefully the weather will be kind for the camping!

Have a great weekend!

Thoughts from the Deputy Head Girl

Hi everyone,

Hope you had a really great week.

I just wanted to bring up an important day that happened recently - World Music Day. This week on June 21st, many countries around the world honoured musicians and singers for the wonderful melodies and beats we all know and love. And the best thing about World Music Day is that you get to take part in a huge celebration no matter what kind of music you enjoy. Last year, more than one thousand cities all over the globe celebrated this fun event.

So, get an instrument or microphone, play it or sing out loud in any way you like and have fun!

Have a great weekend

English Schools Swimming Association Team Championships for Primary Schools

On Saturday our squad of Abi, Elsie, Aisha, Karishma and Ishani competed in the English Schools Swimming Association Team Championships for Primary Schools in Sheffield. They out did themselves in what was an exciting and extremely competitive finals event. They beat their previous best medley relay time by almost four seconds to finish an amazing 8th place in the A final. They then went on to finish a brave and well fought 3rd place in the B final of the freestyle relay. This places Charlotte House in the top eight and top twelve fastest small schools in the country respectively. A phenomenal achievement from a committed and focused team. Congratulations to all of you and thank you to the parents for their great support (they were even mentioned in dispatches by the gala announcer)!
