

Charlotte House Preparatory School for Girls
A PNEU INDEPENDENT SCHOOL

Penny Woodcock writes...

I am thrilled to be leading such a wonderful school. Charlotte House is the winning combination of a smaller school, which celebrates every girl as an individual, whilst offering a breadth of opportunities for all to enjoy. We are committed to encouraging the girls to try their hardest and teach them that resilience and perseverance are key traits if one is to succeed in life. Our girls leave us with a font of knowledge but more importantly they move on with a tool kit for life consisting of self-confidence, an enthusiasm for learning and goals and aspirations for their future.

With small classes, our girls benefit from a bespoke education with specialist teachers in many subjects. We have high expectations and the girls love rising to our challenges. The school motto, I am, I can, I ought, I will, gives our girls the very clear message that they are capable of achieving great things and they do exactly that!

Places in Reception are in high demand, so do please visit well in advance of requiring a place; I look forward to welcoming you.
