I hope you all had a fabulous Easter. Your girls have bounced back into school and have been keen to share their holiday news with me! Welcome to the three new families joining us this term.

The summer term is always my favourite, not just because of the weather and light mornings and evenings! I love the fact that the girls get to show their many talents not just in the classrooms in lessons but also through music concerts, Stem Day, Art Day and Sports Days. With the family picnic, May Fair and the auction to look forward to the PTA will also be busy. No two days are the same with so much to do! I have the pleasure of directing the Form V & VI Shakespeare play this term too! The very busy last Saturday of the term is such a wonderful way to end our year and I hope to see you all at the Family Evening.

This term we will welcome the return of Mrs Edwards from her maternity leave. I am delighted to announce that Miss Beringer, who has been the maternity cover this year, will be staying with us next year. You may recall earlier in the year I announced that Mrs Guise will be stepping down from her Deputy Head role but will stay on as our SENCo next year. I am happy to announce that Mrs Johnson will be joining the staff as the new Deputy in September. She has lived and worked locally for a number of years and has a very good understanding of the local secondary schools both state and independent. I have no doubt she will be a tremendous asset to the school and look forward to working with her. She will be coming along to various events this term so that she can meet both you and the girls. I am sure you will all make her welcome.

I hope you all have a great weekend and good luck to any family members running the London Marathon!

Sports Report

On Sunday 24 March a team including Grace, Rebecca W, me, Hannah, Anabel G, Radhika, Keshavi, Mettabel, Arabella and Nehanna went to a netball tournament at St Margaret's. I have to say that this was one of the most exciting games of netball I have been in for a long time. We have become so much better; all of our netball skills have gone to the top shelf. However, this game was quite different because at the end of each half some music played for the last 10 seconds of the match and if you do shoot it would count as double points and we did get some double point goals. Well done to everyone who played and we all did so well that we came in 3rd place and all got shiny medals. It was a true team effort and from attack to defence we played our hearts out.
