I Scope of this policy

- 1.1 Berkhamsted Schools Group acknowledges its continuing responsibility proactively to manage and improve attendance across the school community. Attendance is the essential foundation to positive outcomes for all pupils, and improving attendance is everyone's responsibility.
- 1.2 Daily registration is a legal requirement for schools and must be done accurately, and attendance registers are legal documents. A pupil's name may not be deleted from the attendance register unless it has also been marked as a 'leaver' in the admissions register.
- 1.3 All schools in the Berkhamsted Schools Group (collectively referred to in this policy as "the School") have excellent levels of attendance for individual children.
- 1.4 Children who attend school regularly and punctually are best able to take full advantage of the educational opportunities available to them and the vast majority of our pupils fall into this category.
- 1.5 This Attendance Policy is intended to guide, assist and empower Berkhamsted Schools Group to maintain the excellent levels of attendance and to meet the responsibility to provide an agreed framework within which consistent practices and procedures can be applied. Parents will be directed towards this policy when their child(ren) join the School and when there are major revisions.
- 1.6 Under the EYFS Statutory Framework, early years settings are required to have an Attendance Policy and are obliged to meet certain duties in relation to recording and following up child absences as part of enhanced safeguarding responsibilities. The Attendance Policy for BDNL can be found at Appendix Four.

2 Our aim

- 2.1 Berkhamsted Schools Group will work in close partnership with parents, pupils, and if necessary, the Local Authority (see Appendix Nine), in order to maintain excellent levels of school attendance and punctuality for all pupils.
- 2.2 The School aims to develop and maintain a whole school culture that promotes the benefits of good attendance through the following actions:
 - 2.2.1 Setting high expectations for every pupil in relation to punctuality and attendance
 - 2.2.2 Communicating these expectations clearly and consistently to pupils and parents
 - 2.2.3 Appreciating that attendance cannot be seen in isolation, and the foundation to good attendance is the creation of a calm, orderly, safe and supportive environment for all pupils to learn and thrive
 - 2.2.4 Systematically monitoring and analysing attendance data to identify patterns and

-
- trends, target improvement efforts and put effective strategies in place
 - 2.2.5 Building strong relationships with families to understand barriers to attendance and working with families to remove them
 - 2.2.6 Working effectively with the local authority and other local partners where necessary to overcome barriers to attendance when necessary

3 Rationale and School Responsibilities

- 3.1 The Governors have a statutory responsibility to monitor and authorise absence. Within Berkhamsted Schools Group, this responsibility is delegated to the Headteachers.
- 3.2 The Vice Principal is the Senior Attendance Champion for Berkhamsted Senior Schools & Sixth, and is the Senior Leader responsible for the strategic approach to attendance across the Berkhamsted Schools Group. The Headteachers of Berkhamsted Prep and Pre-Prep, Heatherton and Charlotte House also act as Senior Attendance Champion for their schools. Please see Appendix 2 for names and contact details.
- 3.3 Each Headteacher has delegated responsibility for managing pupil attendance in their School. Administrative responsibility for how procedures are carried out on a daily basis can be delegated (for example to the Attendance Officer in Senior/Sixth).
- 3.4 The Health and Safety Officer is also an important stakeholder. In the event of a fire drill or other emergency situation, the School must be able to carry out an immediate headcount to ascertain the number of pupils physically present on site. Please see the Health and Safety Policy for further information.
- 3.5 The School is responsible for supporting the attendance of our pupils and for dealing with barriers to accessing education that may lead to non-attendance. If attendance falls below 85% then the steps outlined at 3.18 below will be followed.
- 3.6 The School is also required to work with the local authority (as detailed in section 8 and Appendix 9 below), and is legally required to share information from its registers with the local authority, including as a minimum:
 - 3.6.1 **Sickness returns** - providing the Local Authority with the names and addresses of pupils who miss 15 consecutive or cumulative days due to illness who may need additional support from the local authority to continue their education.¹
 - 3.6.2 **Attendance returns** - providing the Local Authority with names and addresses of pupils who fail to attend school regularly or have been absent for

a continuous period of 10 school days where their absence has been recorded with one of more of the codes statistically classified as unauthorised (G, N, O and/or U – see Appendix One for more information about registration codes).

3.6.3 New Pupil and Deletion returns - notifying the Local Authority when a pupil's name is added to or deleted from the School's Admission Register outside of standard times.

- 3.7 Registration data will be available for Inspection when required and the Vice Principal is responsible for providing data for inspections (although this may be delegated to the Educational Compliance Manager). The DfE requires us to maintain and share pupil attendance statistics; registers are subject to inspection by HMI, Ofsted or ISI. The School reports annually to the Governing Body's Education Committee on Pupil Absence.
- 3.8 Registration Data will be preserved for six years as required by the DfE.
- 3.9 The School analyses attendance data to monitor attendance patterns and trends across the Group, to identify any patterns of behaviour and to ensure that its efforts to improve attendance are directed, and appropriate support is provided, to those pupils / families and pupil cohorts most in need of assistance.
- 3.10 In the Senior and Sixth, the Assistant Heads/Heads of House/Tutors are normally responsible for ensuring that pupils have registered in the morning. In the afternoon, teachers are normally responsible.
- 3.11 In the Prep Schools, the Form Teacher is normally responsible for ensuring that pupils have registered in both the morning and afternoon.
- 3.12 Assistant Heads/Heads of House/Tutors (Senior and Sixth)/Form teachers (Preps) will deal with parents and pupils over issues related to attendance and punctuality in the first instance. Any such issues will be followed up with Deputy Heads and Headteachers, if required. Please see Appendix Two for contact details of the relevant staff for each part of the School.
- 3.13 Assistant Heads/Heads of House/Tutors (Senior and Sixth) /Form teachers (Preps) should therefore:
 - 3.13.1 Monitor and deal appropriately with lateness, using the range of available sanctions (such as detentions).
 - 3.13.2 Monitor and deal appropriately with persistent failure to Register.
 - 3.13.3 Monitor and respond to pupil absence without notification - please refer to the Missing Persons Policy in the case of unexplained absences.
- 3.14 A pupil's individual circumstances are always taken into consideration wherever there are attendance and punctuality issues.
- 3.15 Where attendance becomes an issue, this will be managed by Assistant Heads/Heads of House/Tutors (Senior and Sixth) or Form teachers (Preps) in the first instance, with support from Deputy Heads, Headteachers, the Learning Support Department and the Wellbeing

team (Counsellors, School Nurses and Chaplaincy), as appropriate.

- 3.16 The School's attendance procedures can be adapted to reflect the specific needs of CLA and PLA pupils. Where there is a concern about attendance or punctuality the School will contact the carer, social worker and other professionals including the Virtual School, as an early intervention. This contact will be made by the Designated Teacher for CLA and PLA having liaised with the pastoral team as outlined in 3.13 above. For more details about CLA and PLA pupils, see the Children Looked After Policy.
- 3.17 The School's attendance procedures can be adapted to reflect the specific needs of pupils who face particular barriers to attending such as long term medical issues, anxiety, Special Educational Needs or Emotionally Based School Avoidance issues.
- 3.18 Where there has been long term absence for any reason, a re-integration plan will be developed with the pupil, the parents, the Assistant Head/Head of House/Form Teacher, and a Deputy Head or Headteacher. Members of the Wellbeing team may be involved and the School will engage with external agencies as required.
- 3.19 In the event of attendance that falls below **90%** over the course of a half-term, subject to data analysis parents may be written to by the Headteacher to alert parents to the low attendance and any patterns of absence identified, and to signpost support for the child and family.
- 3.20 In the event of attendance that falls below **85%** over the course of a half-term, the Headteacher, Deputy Head or Head of House/Assistant Head of the School should (subject to case-by-case evaluation):
 - 3.20.1 arrange a meeting between the Assistant Head/Head of House/Form Teacher, the parents, and the pupil.
 - 3.20.2 offer specific support to parents and individual pupils, either at school or elsewhere e.g. involvement of Child and Adolescence Mental Health Service (CAMHS).
 - 3.20.3 facilitate case conferences and other meetings between all involved directly in the care of the pupil.
 - 3.20.4 enable the pupil and parents to access appropriate support from other services and agencies through the use of Integrated Practice/Common Assessment process, via the DSL.
- 3.21 The School seeks to build relationships with families, listen to and understand barriers to attendance and work with pupils and families to remove them. However, where support provided by the School is not appropriate (e.g., for an unauthorised holiday in term time), or is not successful or is not engaged with, support may be formalised in conjunction with the local authority and/or other sanctions will be sought. Please see section 8 and Appendix Nine below.
- 3.22 As pupils move between Key Stages, there is an appreciation of the insecurity and concern that may accompany such change. Clear induction programmes run to make transitions

between schools as easy as possible.

- 3.23 If the School is told that a pupil is leaving to attend another school, the Headteacher of the relevant school should establish the pupil's new address, the name and address of the new school and the date the pupil will start there. Confirmation should then be sought from the receiving school.
- 3.24 If the Headteacher is concerned about any aspect of a transfer or if a pupil has "disappeared" the matter should be discussed with the Designated Safeguarding Lead (DSL) and drawn without delay to the attention of the Children Missing Education Officer in the relevant local education authority: csf.cme@hertsgov.uk
childrenmissingeducation@bucksgov.uk.
- 3.25 Please refer to the Policy and Procedures for Safeguarding and Child Protection for further details.

4 Punctuality

- 4.1 The School takes active steps to encourage excellent levels of punctuality. Lateness is monitored and followed up by Assistant Heads/Heads of House/Tutors (Senior and Sixth) and Form teachers (Preps).
- 4.2 School documentation clearly states the time at which each school session begins and finishes, including the time at which registers open and close (see appendices).
- 4.3 When a pupil arrives late and the register is still open, s/he will be marked as 'late' but counted as present for that session.
- 4.4 When a pupil arrives after the register has closed they must attend a School reception to sign in:
 - 4.4.1 If the pupil provides a satisfactory explanation, s/he will be marked using a suitable code, such as a "Y" code, and is an 'authorised absence' for that session.
 - 4.4.2 If the pupil fails to provide a satisfactory explanation, s/he will be marked as code 'U' in the register ('Arrival in school after registration closed') and is an 'unauthorised absence' for that session.
- 4.5 Please see Appendix One for a list of codes used for registration purposes.

5 Authorising Absence and Approved Educational Activity

- 5.1 The fact that a parent has provided a note or other explanation (through the School's Parent Portal) in relation to a particular absence does not, of itself, oblige the School to accept it.
- 5.2 Absence should be authorised if:

-
- 5.2.1 the pupil is absent with permission from the Headteacher (or, in the Senior Schools, the Assistant Head / Head of House for absences less than half a day). Depending on the circumstances, this will be recorded as code C or the relevant specific code as set out below and in Appendix I.
 - 5.2.2 the pupil is ill (code I), attending a medical or dental appointment (code M), or prevented from attending by any unavoidable cause (code Y1-Y7);
 - 5.2.3 the absence occurs on a day exclusively set aside for religious observance (code R);
 - 5.2.4 there is a family bereavement (code C);
 - 5.2.5 a pupil is granted study leave for a public examination (code S);
 - 5.2.6 leave of absence is granted for a family holiday in accordance with the school policy outlined below. For the avoidance of doubt, permission for a family holiday will only be granted in exceptional circumstances (code C).
- 5.3 Absence should be unauthorised if no explanation that is deemed sufficient by reference to the above list, is forthcoming.
- 5.4 Pupils who are engaged in off-site educational activities which meet the criteria for “approved educational activity” (see section 5.5 below) should be recorded as absent due to an approved educational activity.
- For example, a pupil should be recorded as absent due to attending a place for an approved educational activity if they are on or at:
- 5.4.1 a field trip or educational visit (code V);
 - 5.4.2 an approved sporting activity (code P);
 - 5.4.3 an interview with a prospective employer, university, college, or another school (code J1);
 - 5.4.4 a taster day at another school (code B);
 - 5.4.5 an approved work experience placement (code W if arranged by the School, code C if arranged by the pupil / their parents).
- 5.5 A pupil should only be recorded as attending a place for an approved educational activity if it is:
- 5.5.1 At a place other than the School, another school where the pupil is registered, or a place where educational provision has been arranged for the pupil by a local authority;
 - 5.5.2 of an educational nature and directly linked to the School’s programme;
 - 5.5.3 the School has approved the pupil’s attendance at the place for the activity;
 - 5.5.4 supervised by the School or someone authorised by School whom the School considers to have the appropriate skills, training, experience and knowledge to ensure

that the activity takes place safely and fulfils the educational purpose for which the pupil's attendance has been approved.

- 5.6 If a pupil is recorded as attending a place for an approved educational activity, the School must record the nature of the activity.
- 5.7 For the avoidance of doubt, "Study leave" is not an approved educational activity.
- 5.8 For Sixth Form students:
 - 5.8.1 it is current practice to allow two term-time days per academic year for university Open Days. These are not within the criteria for approved educational activity, but if approved in accordance with the school's guidelines this absence will be recorded as Authorised Absence (code C).
 - 5.8.2 for Y12 and Y13 students undertaking work experience, they are encouraged to organise this in the school holidays where possible. If undertaken during term time this will be subject to the guidelines governing the number of permissible absences for such activities. Absence to attend work experience in term time will be recorded as work experience (code W) if organised by the School or code C if organised by the pupil / their parents.
 - 5.8.3 if a student has been granted permission (by the Head or Deputy Head of Sixth and parents) to study at home because they have no more school commitments in the afternoon, code X is used.

6 Family Holidays and Extended Trips Overseas During Term Time

- 6.1 The School actively discourages parents from arranging term time holidays because it is disruptive to the education of pupils. The Department for Education also states that Schools should generally not grant permission for holidays. Parents are reminded that they cannot expect leave of absence for the purpose of a holiday to be granted as of right, and any permission is at the discretion of the Headteacher or the Principal and will only be granted in exceptional circumstances; the need or desire for a holiday does not constitute an exceptional circumstance. **Please note that this also applies to boarding pupils, who are expected to arrive in time for the start of term and to depart after the end of term.**
- 6.2 Therefore the School will NOT authorise absence for family Holidays (other than in exceptional circumstances or for religious festivals. Where permission is granted for absence for a religious festival, this will normally be for one day).
- 6.3 A standard letter will be sent to parents who request leave of absence due to family holiday – **please see Appendix Eight.**

7 Unauthorised Absence

- 7.1 In cases of unauthorised absence, the pupil has responsibility to catch up on any work missed. The School will not set work or mark work completed by pupils during an unauthorised absence or provide additional support or tuition on their return.
- 7.2 In the case of unauthorised absence during School examination periods, internal examinations will not be set at an alternative time.

8 Extended Unauthorised Absence

- 8.1 Schools are required to inform the Local Authority of any pupils who are regularly absent from school, have irregular attendance, or have missed 10 school days or more without the school's permission (see Appendix 9). In cases where parents wilfully withhold a pupil from school, or persistently refuse to co-operate with efforts aimed at effecting a return to satisfactory school attendance, the DSL will seek advice from the relevant local authority.
 - 8.1.1 This may result in legal proceedings on the grounds that no other course of action is available and the pupil will be removed from the School and identified as a "Child Missing from Education".
 - 8.1.2 If a student is deleted from the school register when the next school is not known, the School is required to report the circumstances as soon as possible to the Local Authority in which the pupil lives. See Policy and Procedures for Safeguarding and Child Protection for further information.
- 8.2 Extended unauthorised absence (truancy) will be considered persistent misconduct, which may result in sanctions, including the Required Removal of the pupil concerned. (See Expulsion and Required Removal Policy).
- 8.3 For more information about the role of the Local Authority please refer to Appendix Nine.

9 Responsibilities – Parents and Carers

- 9.1 Parents are responsible in law for ensuring that their children of compulsory school age receive an efficient education suitable to their age. Parents are responsible for ensuring that their children attend and stay at school.
- 9.2 Parents should:-
 - 9.2.1 ensure that their children arrive at school on time, properly dressed and ready to learn.
 - 9.2.2 instil in their children an appreciation of the importance of attending school regularly.
 - 9.2.3 impress upon their children the need to observe the School's Code of Conduct. This includes the need to follow the School's registration procedures.

- 9.2.4 take an active interest in their children's school career, praising and encouraging good work and behaviour and attending parents' evenings and other relevant meetings.
- 9.2.5 work in partnership with School to resolve issues which may lead to non-attendance.
- 9.2.6 notify School using the Parent Portal (or by email / telephone at Charlotte House) by 8.30am if their child is absent and also provide an explanation on the first day of any absence (and for any other subsequent day or period). If it is known that the absence will be for longer than one day, parents should specify this in their initial notification to the school.
- 9.2.7 avoid arranging medical/dental appointments during school hours if feasible.
- 9.2.8 avoid booking holidays during term time (please see Section 6 above).
- 9.3 Parents should inform the Form teacher or Head of House as soon as possible if a pupil is absent (using the Parent Portal, or by email / telephone at Charlotte House), explaining the absence before the registration session to be missed.
- 9.4 Appointments outside of school (e.g. doctor, dentist, orthodontist)
 - 9.4.1 Parents must inform the School in advance using the Parent Portal (or by email / telephone at Charlotte House) of any appointments, giving approximate times of leaving and returning to school.
- 9.5 The school may ask parents to provide a written note explaining a child's absence from school. In most cases, this should be sufficient evidence for the school to authorise the absence. In some cases, the School may request supporting evidence. For example, a prescription or an appointment card, or a GP letter.

I Registration

- I.1 The School hours are:

Prep 08.20 until 15.40
- I.2 All pupils are registered at the start of the day (Registers are open from 08.20 to 08.50 at Prep and 08.40 to 09.00 at Pre-Prep) and at the beginning of their afternoon lessons (Registers are open from 13.20 - 13.40 (Lower Key Stage Two), 13.40 - 14.00 (Upper Key Stage Two) at Prep and 13.05 to 13.35 at Pre-Prep).

- I.4 Pupils are also registered before leaving the premises for PE and Games (and any other off-site activity).
- I.5 If a Prep School pupil is unable to participate in PE, Games or Swimming lessons because s/he is injured or unwell, the school must receive notification via the Parent Portal providing details of the circumstances and specifying quite clearly the duration of non-participation expected.
- I.6 Where a child is considered too unwell to participate, parents should question if the child is indeed well enough to attend school. The School reserves the right to send pupils home should the nurses feel this is necessary.
- I.7 In the case of injury, it would be helpful to send the school a copy of a doctor's certificate as a supporting document.
- I.8 In both instances, pupils will still be expected to attend their PE, Games or Swimming lesson as a spectator, to assist with officiating or other similar activities. It should be noted that this may require them to change into the appropriate clothing.
- I.9 Pupils will not be permitted to be collected from school instead of participating in a PE, Games or Swimming lesson unless prior agreement has been sought and authorised by the Headteacher.

APPENDIX FOUR: Attendance Policy for Berkhamsted Day Nursery Limited (BDNL)

BDNL Attendance Policy

1. Purpose

(A daily back up of attendance data is stored on the iSAMS server, and in addition a separate back up copy is made at the end of every week and at the end of every month, on the iSAMS server). In addition, teachers record attendance at every lesson using iSAMS (see I.8 below).

Any subsequent correction to the register should be made as soon as practicable after the reason for the absence has been established, by the Attendance Officer and no more than 5 working days after the session. Code N should not be left on a pupil's attendance record indefinitely; if a reason for absence cannot be established within 5 working days, the record should be amended to Code O (Absent without authorisation).

APPENDIX EIGHT: Sample Letter to Parents re Holiday Absence during Term

Dear

Thank you for your email requesting leave of absence for

Our term dates are published well in advance, and we expect parents to take these into account when planning family holidays to avoid students' education being impacted by missing school. As you know, our school policy is not to give permission for holidays taken during term time because of the potential negative impact this can have on students' wellbeing (caused by worrying about missing teaching and needing to catch up on their return) and academic progress.

I am sure you will understand that I am bound by the Schools' Attendance Policy (section 6) and the regulatory expectations of the local education authority and Department for Education. Therefore, I am unable to authorise leave for holidays in term time unless the circumstances are exceptional.

We would encourage you to revisit your holiday plans to avoid disruption to XXXXXXXX's education. If you are unable to rearrange the trip, this absence will be recorded as unauthorised using code G.

Kind regards,

APPENDIX NINE: The role of the Local Authority

The DfE guidance [Working together to improve school attendance](#) states that it is the responsibility of all schools, including independent schools, proactively to manage and improve attendance in their school community.

In addition to the responsibilities placed on schools, the DfE expects Local Authorities to offer support to all schools, including independent schools, to meet their duties in relation to attendance.

Accordingly, the School works with the relevant Statutory Attendance and Participation Teams (SAPT) at Hertfordshire and Buckinghamshire County Councils. The Local Authority offer support such as:

- Access to resources relating to attendance
- Advice and guidance from the Local Authority Statutory Attendance and Participation Team (SAPT) in relation to attendance
- A link named Local Authority Attendance Officer (LAAO)
- Tailored intervention in respect of individual pupils

Pursuant to the School's statutory responsibilities in relation to safeguarding and the reporting of attendance, the School must notify the Local Authority of the following:

New Pupil and Deletion returns: the School is required to inform the Local Authority when a pupil's name is added to or deleted from the school roll outside of normal transition times.

Attendance returns: the School is required to report all cases of 10-day unexplained absence and / or irregular attendance (as determined by the School) to the Local Authority by completing the relevant form. This should be done no less frequently than once per calendar month. The School is required to make timely enquiries to establish the whereabouts of missing children.

Sickness returns: the School is required to notify the Local Authority where a pupil is recorded as absent using code I (illness) where the school has reasonable grounds to believe the pupil will miss 15 days consecutively or cumulatively because of sickness.

Part-time timetables: the School is required to inform the Local Authority of any child placed on a part-time / reduced timetable. For more information please refer to the DfE Guidance which includes information about part-time timetables at sections 65-70 on pages 27-28. In brief, all pupils of compulsory school age are entitled to a full-time education, but it is acknowledged that in very exceptional circumstances, where it is in a pupil's best interests, there may be a need for a temporary part-time timetable to meet their individual needs. The DfE guidance gives some examples and sets out parameters within which a part-time timetable might be considered.
